RESULTS OF THE CALL FOR APPLICATIONS

for the student exchange program: Hyogo College of Medicine, Japan, 2020

Based on the bilateral agreement with the Hyogo College of Medicine, Japan, the Faculty of Medicine in Rijeka has published the call for application for the selection of two students of the 3rd year of the Integrated University Study of Medicine, two students of the 5th year of the Integrated University Study of Medicine, and one student of the 5th year of the Integrated University Study of Dental Medicine, who will participate in the student exchange program with the Hyogo College of Medicine in 2020.

The Selection Committee has reviewed all the submitted applications and, in accordance with the conditions of the call for applications, has scored points for the following:

- grade point average of all exams passed until 30 September 2019
- certificate confirming the student did not repeat any year of study.

The selection process for **two students of the 3rd year of the Integrated University Study of Medicine and/or Integrated University Study of Medicine in English** has concluded the following: Katarina Bertoša did not submit her certificate confirming she did not repeat any year of study, which is why her application is considered incomplete. Other applicants have submitted all the necessary documents within the deadline. None of the applicants repeated any year of study and, according to the grade point average criterion, the decision was made to select the following two students:

1. **Tomislav Glavan (4 958)**
2. **Vilma Grbas (4 957)**

The selection process for **two students of the 5th year of the Integrated University Study of Medicine and one student of the 5th year of the Integrated University Study of Dental Medicine** has concluded the following: all applicants have submitted all the necessary documents within the deadline. None of the applicants repeated any year of study and, according to the grade point average criterion, the decision was made to select the following three students:

University Study of Medicine:

1. **Borna Šarić (4 841)**
2. **Dora Rukavina (4 739)**

University Study of Dental Medicine:
