

## Entrance Exam 2020/2021

### Rules and Regulations/Instructions to Candidates

#### Before the exam start:

- Exam must be taken in a quiet, well-lit room.
- On the desk, the candidate is allowed only to have a several pieces of blank paper, pencil, calculator and print-out of the periodic table of elements (received in the e-mail).
- No other person is allowed to enter the room during the exam or to assist the candidate in any way during the exam.
- The lighting in the room must be bright enough, overhead lighting is preferred (the source of light must not be behind candidate).
- Other electronic devices are not allowed (second PC, mobile phone, tablet etc..).

#### Candidate behavior

- No food is allowed during the exam.
- Candidate must not use headphones, ear buds, or any other type of listening equipment.
- Candidate must not use a phone for any reason.
- Candidate must not use any accessory that would conceal the candidates face (Hats, Sunglasses etc..). Long hair must be tied back.
- Candidate must not leave the room during the exam for any reason.

#### The exam:

- The entrance exam is executed online: <https://mooc.carnet.hr/>
- The entrance exam is executed in conjunction with LockDown browser and Respondus monitor (see attached document: (RLDB-Quick-Start-Guide-Moodle-Student.pdf))
- This exam consists of three tests: Biology, Chemistry and Physics.
- Each test contains 40 multiple-choice questions (MCQ) with five answer choices and one correct answer.
- Students must complete all three blocks (120 MCQ) within the 180-minute time frame allotted for the exam.
- The exam will start at 10 AM (Central European Summer Time, UTC/GMT +2 hours)

- You are advised to answer questions in a systematic order as they appear in the test. However, you are free to pick up any question at your will in a given test and provide an answer (*you can skip and return to any question*)
- You can enter answers in any test until it is submitted and finished.
- You are advised to finish one test (block) completely before taking another.
- Once the test is submitted by clicking the button "**Submit all and Finish**", you will no longer be able to enter it and change your answers.
- More detailed instructions will be sent via email
