

How to enroll

Dear students,

In response to the current global situation, we are changing the enrolment process to an online mode.

To be fully enrolled, you will need to send following documents to the email address info@medical-studies-in-english.com:

1. Your OIB number (personal identification number). You will get it at the Police when registering your temporary residence in Croatia for the first time or at Tax Administration, Riva 16. OIB field is a mandatory field in the inf. system and the enrolment is not possible without it.

The Application for the determination and assignment of the Personal Identification Number (OIB) is published at the Tax Administration website. For the purpose of assigning of OIB, the foreigners are obliged to submit valid documents with the filled-out application form confirming the stated data, in particular, the European identity card or identity document issued in the country of citizenship with the proof of citizenship.

The Application and the valid documents, in form of a scan, should be sent to OIB@porezna-uprava.hr for the purpose of allocating and assigning of OIB. The foreigner should provide his/her contact details in the e-mail: telephone number and e-mail as well as the local office of the Tax Administration closest to him/her. Based on the received data, the official of the Tax Administration will inform the foreigner of the exact time when he/she can come to the local office of the Tax Administration to obtain the Certificate of Personal Identification Number, upon the presentation of the documents provided electronically.

Exceptionally, the official of the Tax Administration will deliver the information regarding OIB via e-mail, while the Certificate of Personal Identification Number will be delivered subsequently.

Allocating and assigning of OIB to foreigners will be a priority for the Tax Administration and will be carried out within the time limit of 8 days.

The described procedure has been put in place by the Tax Administration in order to safeguard the citizens and to reduce waiting times in the local offices of the Tax Administration.
