GRADUATION EXAM

GRADUATION EXAM

The graduation exam is organized twice in the academic year, in July and September. Students can apply for the graduation exam after passing all the exams of the study programme and receiving a positive grade for the graduation thesis.

The final grade is the sum of the average grade of the positively graded graduation thesis and the passed graduation exam. The student's graduation date is the date of passing the graduation exam.

Exam term	**Application deadline-Studomat**	**Date of the exam**
July	15/07/2025 until 11:59 pm	18/07/2025
September	09/09/2025 until 11:59 pm	12/09/2025
