5. Transferring courses and ECTS credits form

Students who are transferring courses and ECTS credits to the new academic year must fill out the form and upload it on the web application.

6. Croatian language certificate (at least B1 level)

Students enrolling in the 4th year of study must present a certificate of Croatian language proficiency, at least B1 level. Enrolment in the 4th year of study will not be possible without the Croatian language certificate.

7. ELECTIVE COURSES

The 2nd year of study contains three blocks of elective courses, the 3rd and 4th years of study contain four blocks of elective courses, the 5th year of study contains two blocks of elective courses and the 6th year of study contains one block of elective courses.

In each block, there are three or more different elective courses. You have to choose one from each block. Students who are enrolling on the course Professional Practice have to submit a Daily practice log form and a Professional practice form. On the web platform you have to write in the space provided which block you are replacing with the course Professional Practice.

When enrolling through Studomat, there is no option to choose the elective course Professional Practice. You will be assigned to the course in the system by the Office of International Relations when you submit through the web platform Daily practice log form and Professional practice form.

Students who met all the criteria for the enrolment are invited to enrol according to the enrolment schedule.
